The music: Illiteratty is a meta-folk band We play metafolk...meaning, original swing, european cabaret, ambient, celtic, rockabilly, a cappella, folk, world, pop, (did I mention folk?); with sharp lyrics and up to 5 part vocals. The full complement is guitar, mandolin, violin, keys/accordion, standup bass & small percussion. It's funny, angry, idiosyncratic, intelligent, and extremely varied...
